2009

## PINOT NOIR

SONOMA COUNTY

### TASTING NOTES

This luscious Pinot Noir displays earthy, dark cherry flavors complemented with notes of spice and cocoa leading to a long, velvety finish. Delicious when paired with wild Salmon, poultry, pork and lamb. A versatile, elegant addition to many dishes.

### VINEYARDS

Sourced primarily from beautiful Sonoma County Vineyards where evening and morning fog, warm afternoon temperatures and superb soils produce fruit with rich, complex fruit flavors and bright acidity.

### VINTAGE

2009 started off with a warmer, drier spring followed by a summer with average heat. Harvest concluded in late September producing evenly ripened grapes showing full concentration and balanced acid producing fruit with bright flavors.

### TROUT UNLIMITED

In recognition of our ongoing commitment to restore the Steelhead habitat in Wine Creek on our estate, we are an official sponsor of Trout Unlimited and support their national conservation efforts with a donation for every bottle sold.
